

Requesting landowner consent

REQUEST FOR LANDOWNER CONSENT TO PROSPECT / FOSSICK

Dear Landowner,

I am writing to respectfully request your permission to access your property for the purpose of recreational gold prospecting and fossicking. I am interested in conducting low-impact activities such as gold panning, metal detecting, crevicing and the use of small hand tools.

I understand that your property is private land and that access is entirely subject to your permission and any conditions you choose to impose.

PROSPECTOR DETAILS

Name: _____

Phone: _____

Address: _____

Email: _____

Proposed date(s): _____

No. of people: _____

PROPERTY / ACCESS REQUEST

Landowner / Property: _____

Property Address / Location: _____

Area I am requesting access to: _____

Proposed equipment: _____

MY COMMITMENT TO YOU

- Access the property only with your permission and stay within areas you approve.
- Respect all livestock, crops, buildings, equipment, fences, gates, vegetation and waterways.
- Keep any ground disturbance to a minimum, backfill small holes and leave the area clean and tidy.
- Remove all rubbish and take all equipment with me when leaving the property.
- Not use machinery or conduct significant excavation without your prior approval.
- Follow all applicable laws, regulations, permits and land-access requirements.
- Immediately cease prospecting and leave the property if requested.

LANDOWNER RESPONSE

I have considered the above request and am willing to allow the applicant to access my property for recreational gold prospecting / fossicking, subject to the conditions below.

☒ **Permission granted**

☐ **Permission declined**

Approved area / conditions:

Landowner Name: _____

Phone: _____

Signature: _____

Date: _____

Important: This request and any resulting consent relate to access to private property only. They do not replace any permit, licence, authority, environmental approval or other legal requirement that may apply to prospecting or fossicking. The applicant is responsible for complying with all applicable laws and regulations.
